Hongkong, May 1, 1907.

SHIPPING.

The White Star liner *Arabic* is due at
Manila in December with a party of around
the-world tourists.

The s.s. *Fookshing*, from Japan reports
from Moji to Turnabout light Westward
winds, and heavy Easterly swell; thence
to port light variable winds, and fine clear
weather.

The master of a trading junk was fined
\$10 or one month's imprisonment, by the
Hon. Commander Basil Taylor, R.N., at
the Marine Court, to-day, for anchoring
his junk within the limits of the Southern
Fairway.

Among the passengers to depart by the
N.D.L. steamer *Lutzow*, was Signor Fre-
goline and the whole of the Bagel family,
all popular artists who have been perform-
ing with great success at the Victoria Cine-
matograph. They are proceeding to Vlad-
ivostok and Russian ports via Shanghai in
pursuit of their occupation.

The *Kaitong* which arrived at Manila
from Hongkong lost two of her propeller
blades while going around Llorante Point
at the entrance to the harbor. It is
supposed that the propeller struck a
submerged wreck lying there and the
wreck will be blown up with dynamite by
the engineer in charge of the improvement
of the port at Iloilo.

The Java China and Japan Line of Am-
sterdam records gross earnings of 464,286
florins for the last business year, as com-
pared with 370,000 florins for the year be-
fore. As a result of the larger amount
which has been written off and increased
working expenses, there remain net profits
amounting to 1,800 florins as compared
with 138,000 florins the year before.
This year's prospects are described as
satisfactory.

The Acting Director of Navigation at
Manila has issued a notice to mariners on
new lights, and changes in lights and
buoys in the Philippines. At Siquijo
Island a new light, fixed red lens, has
been established opposite the anchorage
at Port Canzon. At Escarao Point,
Verde Island Passage, the white fixed light
has been changed to a white occultating
light of the sixth-order. The range of
visibility of this light has been increased
from 13 to 15 miles.

There is great rivalry between Chinese
passage brokers in Manila. When the
steamers *Rubi* and *Loongang* sailed for
Amoy, Ongepin, who is the passage broker
for Chinese on the *Rubi* charged low rates.
The agents were paid a lump sum for the
trip, agreed to by Miguel Velasco and ten
other Chinese families. To recoup this
sum Chinese dock passengers on the *Rubi*
for this trip were charged six pesos, instead
of the ten pesos ordinarily charged. Tang
Tiong Sing, passage broker for Chinese on
the *Loongang*, offered free passage and
free board for the trip and consequently
the *Loongang* carried a large number of
this class of passengers. Where he makes
up for his loss is hard to tell.

Easily Undetected.—How do you
account for the fact," asked the doctor,
"as shown by actual investigation, that 83
out of every 100 criminals in the country
are left-handed?" "That's easily account-
ed for," said this professor. "The other
83 are right-handed."

A NEIGHBOR'S KINDNESS.
Mr. W. J. Fuller, J.P. stockkeeper,
Bendisham, South Australia,
writes: "I was called to see a neighbor
who was suffering from severe cramps and
who really thought he was past help. I
gave him three doses of Chamberlain's
Colic, Cholera and Diarrhoea Remedy,
and in a few hours he was quite recovered.
I frequently use this remedy in my own
family and sell it to my customers as a
valuable medicine. For sale by all chemists
and druggists."

BOURNVILLE
COCOA

Is a high-class Cocoa with a distinctive flavour
developed by a special process. Made under ideal
conditions at the well-known 'Factory in a Garden'
at Bournville, where scrupulous care and cleanli-
ness, the strictest analysis, pure air and ideal
environment, all help to produce Cocoa of the very
Highest Quality.

Hongkong, December 10, 1907.

HONGKONG, SATURDAY, SEPT. 12, 1908.

NATIONAL DIVERGENCIES.

Two very interesting discussions took

place during August, the one in the old

world university town of Cambridge,

the other at a conference in London,

concerning some of the national charac-

teristics of the people of England and

of the United States and the divergence

which is now clearly perceptible in their

practical application of the ideal of

personal liberty, or in other

words, of the manner in which each

now deals with the liberty of the

subject. Professor MASTERMAN, speak-

ing at Cambridge, pointed out that there

was a strong sense of law in English

life, in which sovereignty was the out-

come of law, and not law of sovereignty.

The result was that in all the demands

of the people the claim was never for

the concession of abstract rights, but

for an extension of certain precedents

in the past. No attempt to establish a

written constitution had succeeded.

The result was that in all the demands

of the people the claim was never for

the concession of abstract rights, but

for an extension of certain precedents

in the past. No attempt to establish a

written constitution had succeeded.
